Empire East Posts 73% Increase in Reservation Sales

Leading property developer Empire East Land Holdings Inc. registered a net income of PhP235 million in 2012, up 26 percent from PhP186.1 million in 2011. Real estate sales of the company and its subsidiaries grew to PhP1.38 billion, a 40 percent increase from PhP983 million in the previous year. Reservation sales in 2012 jumped 73 percent to PhP12.98 billion from PhP7.52 billion in 2011.

"Empire East is on a strong growth trajectory," said Empire East President Anthony Charlemagne Yu. "We capitalized on exciting opportunities in 2012, which allowed us to ramp up our brand image, consciously impressing a message of luxury on new and existing customers. This brought to focus our capability to offer upscale residences in the very best locations in Metro Manila and the South," he said.

Empire East launched last year 12 new towers with over 2,000 residential units across six urban projects, which include recreation-centered residential enclaves Kasara and The Rochester, transit-oriented developments Pioneer Woodlands and San Lorenzo Place, and community project Central Park, the latest phase of The Cambridge Village. The company also unveiled 830 new residential units in the two phases of its The Sonoma suburban development in Sta. Rosa, Laguna.

Construction costs of Empire East in 2012 reached PhP2.5 billion. It expects to spend about PhP4 billion to PhP4.5 billion for the development of new and current projects in 2013. The company is set to deliver Towers 1 and 2 of Pioneer Woodlands and Tower 4 of San Lorenzo Place this year. Turnover is also set to start for The Enclave, The Sonoma's first phase.

The land banking activities of the company have allowed it to secure an aggregate of 448 hectares of land worth PhP3.67 billion. From 2012 to May this year, Empire East acquired tracts of land including prime properties located in Quezon City, San Juan, Parañaque and Las Piñas.

According to Yu: "We are confident about the prospects of the real estate sector. Empire East is committed to scaling up its business and making its portfolio of luxury developments more accessible to Filipino homebuyers."
